List of German films of 2014

From Wikipedia, the free encyclopedia

The German film industry produced over 240 films released in 2014. A total of 19 films were released in German theaters, including short films, that had a budget of more than €1 million, making them eligible for funding by Germany. It does not include films first released in previous years that had release dates in 2014.

Also included is an overview of the major events in German film, including film festivals and awards ceremonies, as well as lists of films released direct-to-video or premiered on television.
